LINDENWOOD
A Country Destination

SHOWHOUSE & GARDENS 2015

A project of the HARRISBURG SYMPHONY SOCIETY

All proceeds benefit the Harrisburg Symphony Orchestra

Travel up the inviting drive lined with lindens to a picturesque country destination.

It is a place where the owners entertain colleagues, friends, artists and musicians. Interesting and informed conversations abound. It is a sophisticated escape from the city. There are relaxing outdoor areas for friends to chat and contemplate the view. You may see an artist working on a canvas. Musicians are often heard entertaining guests. Noteworthy speakers come to engage visitors with tales of local history, nature and literature. The latest fashions are worn and showcased. There are always wonderful treats to sample and artisanal goods to be purchased. It is a place to come, linger, and relax, away from the busy city.

This historic home was built in the 1860s using limestone quarried from the property by William M. Watts. Later, it was rented to a number of prominent people, including Gov. Gifford Pinchot and Dr. Clyde L. King, Secretary of the Commonwealth. The house was purchased in 1944 by George A. B. Holder, President of Hershey Creamery and remained in the Holder family until 1962 when the Simpson family purchased the property.
